WHAT IS GRIEF?

Grief is an *emotional reaction to a loss* of some kind. Grief can be experienced in a variety of circumstances, such as:

- Bereavement – death or disappearance of a loved or otherwise significant individual
- Loss of a relationship
- Loss of status, purpose or opportunity

People working through grief may experience: initial disbelief, denial, sadness, anger, guilt, anxiety, not wanting to forget, acceptance of loss, making new plans, finding a new 'normal', looking to the future, valuing and honouring memories.

WHAT IS A SUPPORT GROUP?

New Mornings' Grief and Loss support groups are guided by trained facilitators. They provide a safe and supportive place for people **to meet, share experiences, learn from & encourage each other.**

There will be opportunities to discuss a variety of issues, including: Feelings, Control, Honouring memories, Forgiveness and Moving Forward.

Groups provide support, not therapy. They do not replace professional care by a doctor or counsellor.

WHO IS THIS GROUP FOR?

For men struggling to work through grief after:

- The death or disappearance of a loved one
- Breakdown of a long-term relationship
- Any other significant loss

This group is **suitable** for people experiencing **complicated grief**.

GROUP GOALS

1. To provide a **safe place** to share our feelings, thoughts and concerns
2. To learn to identify and express our feelings appropriately
3. To learn healthy communication skills (listen better and share more effectively with others)
4. To treat ourselves and others with respect
5. To understand the 'tasks of mourning' after loss and develop healthy strategies for working through the grief process

WHAT MAKES THE GROUP SAFE?

Group Guidelines:

- Group members must make a confidentiality pledge. Personal details shared in the group may **NOT** be repeated outside the group.
- No 'put-downs' or judging of self or others
